“Never study under pressure. Enjoy the subjects that you have taken up. It’s possible to balance fun and studies if you study with complete focus. Of course parental support matters a lot. One very important thing -keep your mobile phones way from you when you are studying.”

“If one is dedicated, focused and hardworking, success will definitely follow. Right from the beginning of the session, I spent 6-8 hours daily studying and revising. I never took any coaching throughout the year but was always attentive in class and made notes diligently. I would like to thank all my teachers for their guidance and support.”
