

**"Many congratulations to Salwan School for implementing NEP 2020.**

We are really happy with this change and welcome it wholeheartedly. This new education policy is expected to bring a sea change to our education system and help children become all-rounders and confident individuals.

Great presentation by Salwan School on NEP -2020.

**Thanks to Principal Ma'am, Headmistress ma'am and all the teachers!"**

**Ms. Namita Kakkar**  
m/o Arna Bansal (Class - V)

"I have been a part of the Salwan family for the last 12 years because of my lovely daughters Manasvi Walia(XI-A) and Parushi Walia (II-A). I intentionally chose this School because it is well known for the holistic development of its students in both curricular or co-curricular. The school promotes the values of our rich cultural heritage while equipping the students with 21st Century Skills.

During these years, **I have always found the Management and the Staff working hard towards the betterment of the students. Due emphasis is laid on student-friendly infrastructure, security, providing modern amenities & cleanliness.**

Last but not the least, during Pandemic teachers and School really took the challenge and have been successfully conducting online teaching both scholastically and co-scholastically much to our satisfaction."

**Ms. Shalu Walia & Dr. Rachit Walia**

“... I would like to extend my sincere gratitude to all the teachers and school authority for creating an interactive online curriculum. The activity schedule of all the subjects is created quite methodically. I appreciate the way word recognition is followed by a story related to the alphabet and other exciting interactive activities. **During these pandemic times, all the teachers have put in the best of their efforts to make our children understand the concepts thoroughly. It is highly commendable!**

We as parents are satisfied with Salwan Public School and the teachers for imparting quality education to our children. I ensure that we as parents would give all the possible support to all the teachers to make these online classes successful. Thanks a lot to all the teachers for their hard work!

**Mrs. Sonam Jain**  
m/o Nishit Jain (Nursery)

**"I like the pedagogy adopted by the teachers to explain the concepts. It is activity-based, fun learning complimented with well-designed worksheets. The focus is on making them independent individuals. The classes are well planned, structured and organised, at the same time flexible enough to cater to the demands of the situation. The summer camp was a good way to keep kids productively engaged.**

**Wow Wednesdays is a good initiative to inculcate students' interest in extra-curricular activities."**

**Mrs. & Mr. Sunny Sachdeva**  
p/o Yashasvi Sachdeva (Nursery)

"I chose this school for my son Shivansh with an expectation of giving him the best possible education as well as exposure to extra-curricular activities. **The learning experiences are beyond my expectations. I noticed that he has become more imaginative, disciplined and curious while doing all his activities and his confidence has significantly improved.** I really appreciate the way teachers encourage kids to speak and interact with them and not to be afraid of them."

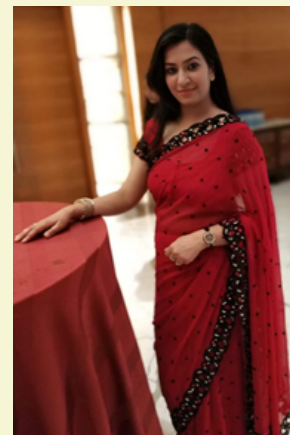

**Mrs. Sonal Goyal**  
m/o Shivansh Goyal (Nursery)

I want to acknowledge and appreciate the stupendous efforts of all the teachers in these pandemic times to ensure that learning doesn't stop for the children.

Initially, we were quite skeptical and wondered how the teachers would manage small children in Zoom Classes, while allowing them to express themselves and making the learning process fun and enjoyable. But **we are amazed to see their teaching methods and skills to ensure the seamless transmission of knowledge to enhance the abilities of our children.**

I really appreciate the fact that focus is not just on finishing the syllabus but also ensuring that **each kid is learning properly at his/her own pace.**

**Ms. Swati Handa**  
m/o Krishiv Oberoi (Pre-Primary)
