PROMINENT EVENTS

Achievers' Day

The School organized Achievers' Day to felicitate its achievers in both Scholastic and Co-scholastic domains for the session 2015-2016. It was a proud privilege of the school to have Dr. Marmar Mukhopadhyay, Former Director NUEPA, Chairman-ETMA Council as the Chief Guest and Dr. Prasad V. Medury, Hon'ble Chairman Salwan Public School as the Guest of honour for the day. While addressing the gathering, Dr. Marmar Mukhopadhyay drew attention towards -

- The need to undertake responsibility towards the marginalized sections of society. Parents can contribute by educating 'the third child'.
- The virtue of perseverance and hard work to achieve the impossible.
- Not to be discouraged by the failures and keep learning.
- Need to be humble and participate in social outreach programmes in life.

The keynote address by Dr. Medury made the audience think and realise the true meaning of achievement in life. The students had an opportunity to interact with the esteemed guests. Another highlight of the day was the release of special edition of the school newsletter which was a joint effort of SPS Morning and Afternoon. The Vote of Thanks was moved by Dr. (Mrs) Indu Khetarpal, the school Principal, where she shared the scholastic and co-scholastic criteria for the awards and the Road Map for the session 2016-2017.

Toppers all the way

Class XII CBSE Toppers of all Salwan Schools were felicitated in a special function organized at INDIA HABITAT CENTRE, Lodhi Road on 28th May, 2016. The programme was presided over by the Shri. Sushil Dutt Salwan, Chairman, Salwan Education Trust. This special luncheon was organized as a part of the celebration of 75 years of Salwan Education Trust.

Platinum Jubilee Celebrations Commenced with the Mahayagya

This is a landmark year in the history of Salwan Education Trust as it strides into its 75th year. The Platinum Jubilee celebrations of the Trust commenced with a Mahayagya on 22nd April, 2016. The Mahayagya invoked the blessings of the Almighty for equipping all the Salwan Institutions to continue to train the future generations for a greener, peaceful, compassionate and happier world.

The Mahayagya was organized at Salwan Campus, Rajendra Nagar. Twelve Acharyas under the able guidance of Acharya Shri Ashok Dwivedi from Kashi Vishwanath. The programme was attended by 6000 students from Salwan schools, parents and other stakeholders of the Trust. Salwanians got the unique opportunity to learn and connect with India's rich traditions and culture through the ceremony of the yagya and the process of organising an event of this magnitude.

Shri Harpal Singh, Trustee, Salwan Education Trust, Mentor and Chairman Emeritus Fortis HealthCare, in his keynote address inspired the young Salwanians to be wise, alert, respectful and good citizens with love and pride for their country.

Shri Sushil Dutt Salwan, Chairman, Salwan Education Trust along with Miss Bahaar Batra and Master Shivam Dixit from Salwan Schools extended the vote of thanks 'Shukrana'. In their speech they thanked the Almighty and the Salwan fraternity who have been instrumental in helping Salwan Schools to become institutions of excellence.

Priti Bhoj was served to the Acharyas and the guests by the students and staff.

Visit By National University of Educational Planning and Administration Delegates

A group of 26 delegates from 19 countries across the world including Ghana, Sudan, Bhutan, Armenia, Cuba, Tanzania, Nigeria, Congo, Fiji, Malawi, Philippines, Laos, Vietnam, Indonesia, Bangladesh, Afghanistan, Malaysia, Tajikistan and Kirgizstan visited the school on Monday April 11, 2016. These delegates were attending the 32nd International Diploma in Educational Planning and Administration (IDPEA) from Feb 1 to April 30, 2016. The delegates were accompanied by Prof. B.K. Panda, Senior Programme Coordinator, NUEPA and Dr. Mona Sedwal, Assistant Professor, NUEPA, Government of India. The delegates shared the education process and examination system being followed in their respective countries and took keen interest in understanding the CCE Pattern of Education in India.

Adieu Class XII

The students of the Class XII were given a heart-warming farewell in a special ceremony organized on 13th April, 2016 in the School Grounds. The students of the outgoing batch got nostalgic while sharing their most cherished moments of their school years. The Vice Principal Mrs Sunita Madan inspired the students to be an active member of the society and also be an important link in connecting the past with the present. The Principal Dr Mrs Indu Khetarpal accorded a warm welcome to the students and invited the students to be a part of the Platinum Jubilee

Celebrations of the Salwan Education Trust. Hon'ble Director Maj Gen Ravinder N Masaldan, VSM Retd addressed the students and inspired the students to be in touch with each other and gain from the experiences life will unfold. The vote of thanks was moved by Dakshita Kapoor, student of Class XII Batch 2015-16 in which she thanked the school authorities for motivation and encouragement provided at school. The students were bestowed with Portfolios containing Class Photograph and Souvenir CDs by their respective Class Teachers to mark the occasion.

Eid Celebrations

Salwan Education Trust stepped into another phase to revere the secular spirit of India as all the schools at Rajendra Nagar campus along with Salwan Junior Public School to celebrate '**Ibadat-e-Ramadan**' in the Salwan School Grounds on 4th July, 2016.

The chief guest for the occasion was Mr Syed Asif Ibrahim, an Indian diplomat, the Former Director of the Intelligence Bureau and an eminent Islamic scholar. The other distinguished guests present on the occasion were Mr Noor Muhammad Ansari, Retd IRS, Imam Mufti Mukkaram Ahmed, religious and literary scholar, Imam and Khateeb (Prayer Leader and Main Speaker) of Shahi Masjid, Fatehpuri, India's Second largest mosque. Shri R P Singh, Social Worker of the Rajendar Nagar Area, Shri Vijender Garg, MLA and Shri Rajesh Bhatia, Councillor, were also present on this occasion. In his address, Mr Ibrahim expounded the meaning of the prayer and the rendition 'Dastan goi' reiterating that

- humanity is supreme and every religion teaches the same values.
- Elaborated on what Islam is not, thereby removing the misconceptions prevalent in the society about the religion.
- Talked about the need of improving humanity and criticised the violence in Turkey and Bangladesh.
- Tried to make the young Salwanians understand

how Islam had travelled to India and got defused and integrated in the system.

- Advised the young generation not to be swayed by the wrong interpretation of Islam by foreign bodies; rather believe in the true teachings of Islam which upholds the value of love, peace and co-existence.

During the interactive session with the students, he reiterated the following points:

- India can be the ray of light for peace and change in the world.
- India has always promoted traditional spiritualism, it always had a deep meaning which it has been presenting through imageries created in the traditional songs and the dances.
- Most Muslims across the world believe in peace, love and harmony and advocate co- existence.
- There are hidden challenges and terrorism is our main concern in Kashmir. With our concerted efforts, we have managed to reduce the number of terrorists from 7000 to below 200.

Constituting the student Council 2016-17

The students of a school are an image to the world and the student council plays an important role in inculcating the right values and attitudes in the students by honing their leadership skills. The selection procedure for the student council 2016-2017 began in the month of April, 2016, in a four step process:

- Nominations for the various posts were filed by the students and each contestant shared his vision and road map ahead with his respective house members.
- The contestants were shortlisted on the basis on their academic performance, participation in co-curricular activities and their behaviour all these years.
- This was followed by an interaction cum interview with the vice principal and principal.
- A Leadership camp was organised for the short listed candidates on the basis of which the final selection has been made.

FROM THE SCIENTIFIC LANE

Cosmos from the School Ground

The school in its continuous endeavour to bring out the best and the latest in the field of education and pedagogy to its students, has in association with **ZLIFE EDUCATION** introduced Astronomy as a regular co-curricular activity for students from classes VI to X. The activities covered under the club are:-

- 8 hands on Practical Astronomy Sessions in school delivered by experts.
- Observation of celestial events.
- 1 overnight camp at Camp Mutang, 50 kms from Delhi.
- Astronomy kit for every member.
- An opportunity to participate in Astronomy Week at IIT, Delhi.

Observation of Mercury Transit Through Telescope

The members of the Astronomy Club had an opportunity to

witness the rare astronomical event of Mercury transit on 9th May from the school ground which happens 13 times in a century. The transit started at 4.40 p.m. and continued till 6 p.m. This rare celestial sight ignited students' curiosity and motivated them to take up space sciences as a career option.

Bael Nectar : Nature's Wonder

To give an impetus to develop skills, our students have been actively engaged in different 'start-ups' viz. compost making & packaging, candle making, soap manufacturing, face wash & hand wash production. The school's recent initiative is the use of 'bael pattar' (Aegla marmelos) as a useful commodity keeping its medicinal value in mind. It helps not only in cholesterol control but also acts as a wonderful remedy for skin rashes and stomach infections. Bael juice has been extracted, thermally bottled without the use of chemical preservatives under the guidance of Post-Harvest Department of IARI Pusa.

CONNECTING THE STAKEHOLDERS

Orientation Programmes

For classes VI to XII

To provide a closer insight into the school system, Orientation Programmes for all classes were conducted for the parents in the month of April. The programmes aimed:

- to seek their cooperation in the holistic development of their children.
- to apprise parents with the academic planner of the new session and the evaluation system that the school follows.
- to inform parents about the two domains of Assessment i.e., Scholastic and Co-scholastic as per C.C.E.

For the parents of Children with Special Needs

An orientation programme for the parents of Children with Special Needs was organized on 30th April. Ms. Moksha, the School Clinical Psychologist, commenced the session with a presentation on what Inclusion means and what protocols of psychological testing are.

- The parents were apprised with the facilities provided to special students in the campus like barrier free infrastructure and regular counselling sessions.
- The aim is to bring them into the mainstream and boost their confidence.
- The session ended with an interactive session with parents wherein their queries were addressed.

PTA

The first Parent Teacher Meeting for the session 2016-17 was convened on 18th May, 2016. The details of various positions in this apex body were shared and nominations were invited for the same. With the consensus of all the parents, PTR'S were elected. The

meeting of the elected body was held on 30th June, 2016, where the Parents shared their concerns and suggestions for improvement of the school. They shared their pleasure at being active stakeholders in the school and contributing their bit in the improvement of the institution.

Accolades

'Harmony' - Inter School Literary and Cultural Festival at Delhi Public School, Vasant Kunj

Sheen Madaan and Preyash Prakash of Class V participated in Harmony - Inter School Literary and Cultural Festival held at Delhi Public School, Vasant Kunj on 5th May 2016 and secured the 3rd position in Inter School Debate Competition. The topic of the Debate was Odd - Even Scheme - A success or a failure? The Young Salwanians showcased their talents and skills with unmatched confidence.

International Informatic Olympiad

Master Raunak Jain of Class VII secured World Rank I in an International Informatics Olympiad 2015-16 held in the month of February. He is felicitated with an Intex tablet and a trophy by the organization for carving a niche for himself.

We are proud of you... One of our alumni, Harjot Kaur, has made it to the popular singing show— '**SA RE GA MA PA 2016**' after winning the battle rounds. She was mentored under an eminent music composer Pritam.

HOLISTIC DEVELOPMENT

Cursive Handwriting Competition

An Inter-Class Cursive Handwriting Competition was conducted for the students of Classes II and III on 27th April 2016. The competition aimed at encouraging students to master cursive writing skills by developing hand-eye coordination, muscle control, focus and concentration. The winners were adjudged on the basis of neatness, stroke formation and connectivity between letters.

The interface strengthened the view that imparting education is a collaborative effort between the parents, the alumni and the school.

Salwanians -Grooming Global Citizens

'Our Alumni present us with a unique opportunity to build a foundation of support to carry forward our rich legacy'.

Ex-Salwanians, Mr. Dharminder Dewan and Ms. Shalini Shahani Dewan on their visit to India visited their Alma Mater and shared their rich experience with teachers and students.

Mr Dharminder Dewan graduated from Salwan public school in 1990 and completed BSc Electronics(H) followed by MCA and joined TCS. Passionate about education, he has been working with children for more than 12+ years in various capacities. He has served at the Library commission for City of Fremont, currently serving as the Human Relations Commissioner for the city of Fremont and on the Financial Advisory Commission for the Fremont Unified School District and numerous other positions in various non-profit organisations. In his session with the teachers of Montessori school he discussed about the US pre-school education system. and emphasised that :

- the focus should be laid on a stress free learning environment for the student and the facilitator.
- undue expectations and queries of the parents should be controlled and their anxiety should be put to rest.

- children learn by themselves and as facilitators we should help the child polish his soft skills.

48 students of class XI B attended an interactive session on Public speaking by ex Salwanian, Ms Shalini Shahani Dewan.

Ms Dewan is an expert in Public Speaking. She has done masters in medicinal chemistry and was awarded gold medal from the Prime minister of India. She has worked and consulted in many multinational pharmaceutical companies and is founder of a medical writing company, ADTS Professional Services.
