Subject: Awareness about Road Safety and Traffic Rules (Classes: V to VIII)

SPS/1156/ 2024

7th March 2024

Dear Parent

In India, every year, due to road accidents, over 1.5 lakh people die and more than 4.5 lakh get injured (including children). The main reason behind these road accidents is not following or knowing traffic and road safety rules.

You all are requested to play a quiz yourself and also get it done by students by clicking on the link given below with the aim of spreading awareness regarding traffic rules and road safety rules among all age groups and be conscious about following road safety and traffic rules. This can save many lives.
