Dear Parent

The Salwan Mid-day meal scheme offers wholesome freshly-cooked lunch served to children from classes Nursery to V. The menu is designed and implemented after taking into consideration the regional palate and nutritional needs of the children. A wide variety of seasonal vegetables and a cyclic approach offer a balanced and nutritional meal to each child.

The caloric value of a midday meal at primary and upper primary stages has been fixed at a minimum of 450 and 700 calories, the meals ensure that this requirement is met through an attractive variety of meals served fresh to our children. It is observed that children eat better when eating as a group and sharing the same menu. They also learn to experiment with a variety of food choices. The Service will be catered by Balaji Caterers.
