Dear Parent

As another fruitful academic session draws its curtains, we prepare to welcome the new and exciting school year at Salwan. Our faculty and staff have been working tirelessly to prepare for the year ahead, and we are confident that this session, just as the one coming to an end, will be a year of growth and achievement for all our students.

As we begin this new school year, I want to reassure you that the safety and well-being of our students is our top priority. We will continue to follow all recommended health and safety protocols to ensure that our school remains a safe and healthy environment for learning.

We also recognize the important role that parents and guardians play in their child's education, and we encourage you to stay involved and engaged throughout the school year. Whether it's attending parent-teacher interactions, volunteering in the classroom, or simply checking in with your child's teacher, your involvement is critical to your child's success.

The beginning of a new school year is always a time of excitement and anticipation, and this year is no exception. For a seamless commencement of the session please join us for the annual orientation sessions as per the schedule given below.
