Dear Parents,

We are pleased to announce an enriching opportunity for our students to develop essential life skills through sports. At Salwan Public School, we firmly believe in nurturing well-rounded individuals equipped with qualities like teamwork, accountability, self-discipline, self-confidence, and a sense of responsibility. To this end, we are introducing specialized training programs in Cricket, Chess, Football, Basketball and Golf for students from classes III to XII.

Recognizing the enthusiasm and interest demonstrated by our students in these sports, we have decided to establish a comprehensive ecosystem to support their athletic endeavors. We are pleased to inform you that we have partnered with reputable academies specializing in age-specific professional training for Cricket, Chess, Football, Basketball and Golf.

Our aim is to provide students with expert coaching tailored to their skill levels and interests. To ensure effective coaching and optimal participation, we will organize an orientation session for interested students. During this session, students will receive detailed information about the specialized coaching programs and have the opportunity to express their preferences.

The training sessions will take place from 7:00 a.m. to 8:30 a.m. on designated days. Please find below the schedule for each game:
