Dear Parents

We are pleased to introduce the proposal of the Salwan Institute of Performing Arts.

At Salwan Institute of Performing Arts, we will be all about fostering your child's growth beyond just academics. We believe in the power of creativity and expression to shape their journey and future endeavours.

Performing arts offer a unique avenue for your child to explore, learn, and grow.

Whether it's dancing or singing, these activities aren't just about skill-building; they're about developing qualities like creativity, expression, and resilience – skills that are crucial in navigating today's world.

We take this opportunity to introduce our plan of launching **after-school clubs** dedicated to various forms of performing arts both Indian and International. These clubs go beyond learning; they are about discovering passions and talents in a supportive setting.

To design these club activities and craft a well-designed project we need your inputs. We want to know what sparks your child's interest and what they dream of learning. Your feedback will help us tailor these clubs to fit the unique needs and preferences of our students.

Kindly, confirm your interest from the choices offered

**The schedule and charges for each activity will be finalised at a later date. Final confirmation of enrollment will be taken at the time these details are shared.** For any further clarity reach out to Ms. Shobha Banerjee @ 9810537595 between 8:00 a.m. to 8:00 p.m., Monday-Saturday. We can't wait to embark on this creative journey with your child and witness their growth and joy through the arts.

\*Parents who can contribute as training artist coaches are invited to submit your details with Ms. Shobha for further collaboration.
