Dear Parent

We are delighted to introduce the French Language Club for students in classes VI to IX. The French Language Club aims to provide students with a comprehensive understanding of the French language, its rich culture, and its global significance. Through interactive sessions, fun activities, and immersive experiences, participants will embark on an enriching journey of language acquisition and cultural appreciation.

We invite your ward to be a part of this stimulating venture and explore the beauty of the French language. The annual fee per student for the French Language Club is Rs.6000/.

We look forward to embarking on this exciting linguistic journey with your ward and witnessing their growth and development in the French language and culture.

Kindly share an expression of interest to enroll your ward in this club so that the further details of launch of club can be shared with interested students. The same can be done through the below-mentioned link:
