23rd August, 2024

Dear Parent

It is imperative that we gauge the strengths and gaps in learning among our students at regular intervals so as to develop strategies for enhancing their strengths and propel further improvement.

In order to ascertain their learning levels, **BAL - Benchmark Assessment of Learning**, will be conducted for the students of Classes III - V as per the schedule given below. These assessments will also prove to be a precursor to the upcoming Term End II Assessments. The teachers will apprise the students regarding the syllabus through the almanac.

Day	Date	Subject
Monday	2 nd September, 2024	English
Tuesday	3 rd September, 2024	Hindi
Friday	6 th September, 2024	Mathematics
Saturday	7 th September, 2024	EVS (CI III), Social Studies
Monday	9 th September, 2024	General Science (CI IV & V)

Let us together help our children attain essential learning standards and accomplish great success.
