

COMMUNITY OUTREACH

Nurturing the Values of Sharing and Caring

To instill the valuable lessons of compassion, generosity, and the power of collective action, the school conducted a Donation Drive on the 22 and 29 December 2023. The students visited Holy Heart Special School, Flag Children Home, Guru Nanak Sukh Shaala, and the Second Inning Home. They interacted with the children as well as the elderly and shared the proceeds including food items, stationery, ration items, toiletries, etc. collected from the students. The Donation Drive was a resounding success, not only in terms of the tangible donations collected, but also in terms of the valuable lessons learnt by the students and the values imbibed in them.

SUMMER CAMP

A two-week Summer Camp was organised for the students of Nursery to Class V from 15 to 26 May 2023, offering a wide range of exciting activities. Sports enthusiasts got the opportunity to learn the nuances of various sports such as golf, and cricket. The students in the Tasty Treats Club enjoyed making culinary delights, while Junior Tech Titans delved deep into the world of technology. The Theatre group sharpened their acting skills. The Art and Craft Club activities allowed students to unleash the magic of their creativity. Dance enthusiasts mastered various dancing styles, including Bhangra, and Jazz while Zen Mandala and Clay Modelling encouraged artistic expression. Calligraphy enthusiasts honed their writing skills. The Skating Club offered an exhilarating experience to the students. Children, brimming with talent and creativity, showcased their remarkable growth through a variety of engaging activities. The Gallery Walk on 29 May 2024 gave a chance to the parents, to witness firsthand the incredible progress the young learners made during the summer camp. It was indeed an enriching experience for the students.

PROMOTING INCLUSIVITY... INCLUSIVE INNOVATORS CLUB ACTIVITIES

As a part of the two-week Summer Camp organised for the students from the Montessori and Primary classes, Inclusive Innovators Club activities were conducted for the young learners with special needs. The students were engaged in fun-filled activities such as shaving foam, sensory walk, let's bowl, let's crawl, to name a few. Blending fun and learning, these activities focused on the development of gross motor skills, fine motor skills, sensory integration and independent learning skills in the young learners.

EMPOWERING WOMEN: SELF-DEFENCE SESSION

As a part of the 77th Independence Day Celebrations, the School organised a 'Self-Defence Session' for female students on 11 August 2023. This enlightening session, expertly conducted by Mr. Shiv Kumar Kohli, featured distinguished school alumni, Ms. Kiran Sethi and Ms. Lakshmi Kohli. Ms. Kiran Sethi, affectionately known as "Lady Singham", has represented India at the Olympics and Kickboxing Tournament in Germany. The session proved to be highly enriching as the girls acquired practical self-defence skills, empowering themselves mentally, physically, and emotionally.

TRAFFIC SAFETY RULES WORKSHOP

An engaging and educational Traffic Safety Rules Workshop was organized in association with the Automotive Tyre Manufacturers Association (ATMA) and the Indian Tyre Technical Advisory Committee (ITTAC) on 26 July 2023. The workshop was specifically tailored for the students of Classes III, IV and V to raise awareness on road safety in a fun-filled and interactive manner.

CLEANLINESS AWARENESS DRIVE

In a commendable demonstration of their commitment to cleanliness and social responsibility, the students of Salwan Public School initiated a Cleanliness Drive. The drive was not just limited to keeping the classrooms and immediate surroundings clean; the young students went a step further by encouraging others to follow suit. As part of this initiative, a *Nukkad Natak* was organised by the students of Class VIII in the bustling Rajendra Nagar Market on 31 October 2023. Their proactive approach reached a diverse audience, sensitising both shopkeepers and customers to the importance of maintaining cleanliness.

LIVE SCREENING OF CHANDRAYAAN 3: MISSION ACCOMPLISHED

A captivating and informative event unfolded at the School on 23 August 2023, drawing together students, parents, and teachers to witness the screening of the *Chandrayaan 3* lunar landing. The video meticulously illustrated the stages of the spacecraft's journey, encompassing its trajectory, lunar orbit insertion, to the final descent onto the lunar surface. The screening served as an educational platform, acquainting students with the intricacies of *Chandrayaan 3*, including its objectives and its integral role in India's space journey.

A VISIT TO THE MUSEUM OF ILLUSIONS

If we choose, we can live in a world of comforting illusions.

Students of Classes VI-VIII visited the Museum of Illusions on 4 and 6 May 2023 where they explored optical illusions using light and colour. The exhibits included holograms, upside-down rooms, an Infinity Room, and a Vortex Tunnel. The visit offered a unique learning experience based on vision, perception, and science.

VISIT TO ASHOKA UNIVERSITY, SONEPAT

A group of students from Class XI visited Ashoka University, Sonapat on 8 November 2023 to explore undergraduate courses. They toured the campus, including the hostel, classrooms, auditorium, library, and the sports complex. The University Counsellor addressed their queries, offering valuable insights into their future as undergraduates.

CHERISHING CHILDHOOD: CHILDREN'S DAY CELEBRATIONS

Children's Day was celebrated online on 14 November 2023 with great enthusiasm through an array of engaging activities. The celebrations commenced on a heartfelt note, as teachers showered their blessings upon students through a JAMBOARD Activity. Each subject teacher dedicated wishes and words of encouragement, creating a virtual tapestry of support for their respective classes. A lively Talent Show was also conducted, showcasing diverse talents of students in singing, poetry, beatboxing, and instrumental music. The virtual platform highlighted students' adaptability and fostered joy and camaraderie within the school community.
